1998 HOME BUILDING ▼ SANTA FE STYLE

22 Tanoito • Santa Fe

JOZEF TARA DESIGN

This energy-efficient Energrid block home successfully blends the traditional shapes of northern New Mexican architecture with the rustic charm of a Tuscan farm house. A unique integration of materials results from the use of wood, brick and Italian tiles. Hard troweled plaster walls and ceilings, antique wood doors, extensive custom tile work and exposed beams in cathedral ceilings. Covered brick portals surround the walled courtyard entrance. Exceptional craftsmanship and attention to detail throughout.

Listing Price \$490,000 • **Lot Size** 2.6 acres • **Heated Sq. Ft.** 2,500 • **Total Sq. Ft.** 3,400
